TERMS AND CONDITIONS

Cancellations and Failure to Arrive at Scheduled Appointments

Where a deposit is paid to secure a consultation or a treatment we require you to provide us with 24 hours' notice if you wish to cancel otherwise your deposit will be forfeited.

If you fail to arrive for an appointment whilst you are on a course you will forfeit that treatment.

Late Arrivals

We do our best to accommodate late arrivals. However, there may be times when a late arrival will result in reduced treatment time, or we may have to reschedule your appointment.

Refunds

There are no refunds on taken treatments or purchased products.

Refunds due are only payable during a working day 10am to 6pm Monday to Friday excluding bank holidays and subject to approval by a director of Beyond Medispa.

Refunds are only given in exceptional circumstances.

General

Gift Vouchers will expire after 12 months

Gift Vouchers are non transferable, cannot be exchanged for cash and must be used for treatments only before the treatment date.

All courses and treatments must be used within 12 months and 24 months if you are pregnant

OBAGI BLUE RADIANCE PEEL

A salicylic acid based peel to help with skin resurfacing and photo damage. Giving you tighter, smoother and brighter skin. Suitable for all skin types.

30 minute Treatment	£150
Course of 6	£750

DÉESSE LED LIGHT THERAPY

A medical grade low level light therapy which uses 5 safe, pain-free waves. Used to stimulate collagen response, improve pigmentation, fine lines and wrinkles, detox the skin and help with congestion, inflammation and redness. Different treatment programmes are available to suit all skin types and concerns.

30 minute Treatment	£50
Course of 6	£250
Add on	£30

DERMAPEN

Skin needling's main purpose is to enhance the penetration of the active ingredients from serums and creams. Piercing the upper layers of the skin with micro needles also leads to increased blood flow in the skin that stimulates the natural production of collagen to regenerate and repair the skin naturally and safely. This process results in healthier, smoother, brighter, firmer and younger looking skin.

Single Treatment	£150
Course of 6	£750

ELOS LASER TREATMENTS

SKIN REJUVENATION

Target fine pigmentation or redness/thread veins within the skin using Elos laser technology. A patch test and consultation is required.

Full face		£225
	Course of 3	£608
Small Area		£70
	Course of 3	£189

TRINITI

Combat Pigmentation, fine lines and lack of tone all in one facial with no invasive surgery. Trinito combines all 3 elements into one facial treatment helping to achieve complete skin renewal with minimum discomfort and downtime. The facial includes Skin rejuvenation, Sublative skin tightening and Sublime fractional laser technology.

		£395
	Course of 3	£995

EXILIS SKIN TIGHTENING

Exilis delivers fast and effective results with no down time, no discomfort and is scientifically proven to achieve results. It restores and encourages collagen production in a localised area to create a more youthful, tighter skin tone. Exilis can also be used to help target stubborn areas of fat using ultra sound.

Face and neck	1x £325	4x £1,125	6x £1,625
½ face upper or lower	1x £250	4x £875	6x £1,250
Body per area	1x £220	4x £770	6x £1,100

COOLSCULPTING FAT REDUCTION

CoolSculpting® is a completely non-invasive fat freezing treatment that helps one to successfully lose body fat and contour. It is a safe, viable alternative to invasive treatments, and the only cryolipolysis treatment which is proven to work. Treatments are tailored to individual clients and can be done on areas such as stomach, arms, inner and outer thighs, love handles and chin.

Price on consultation: Packages available.

VELASHAPE CELLULITE REDUCTION

VelaShape™ is a FDA approved device that safely heat-treats fatty tissue. Its advanced technology combines Infrared energy with radio frequency to precision-target and dissolve fat cells. Additional vacuum and tissue manipulation therapy evens out skin to reveal a smoother, firmer figure.
