## **FACIALS**

### **HYDRAFACIAL**

Beyond MediSpa signature and most popular treatment

This facial treatment exfoliates and deeply cleanses the skin whilst pumping the skin full of antioxidants, nutrients and vitamins leaving a soft smooth and hydrated complexion.

### **HYDRATITE**

This facial treatment combines the Hydrafacial with the Exilis Elite Radio frequency skin tightening treatment. Exilis stimulates the elastin fibers in the skin to promote collagen production and tighten the skin.

### **OXYGEN FACIAL**

Get the ultimate "glow" out of your skin by boosting the oxygen and hydration levels with the Beyond Oxygen Facial.

This treatment consists of a deep cleanse, enzyme exfoliation, extraction and a customized serum infusion with pure oxygen.

### **LED FACIAL**

The Dessee LED full-face mask offers 5 different types of LED therapy to target different skin concerns. LED has been proven to rejuvenate and improve the most problematic of skin issues

### **ZO FACIAL by ZEIN OBAGI**

Light to strong acid based facials created and formulated by one of the world's leading Doctors, Zein Obagi. Each ZO facial is customized to suit the client's skin type to target their main concerns including pigmentation, sensitivity and oiliness.

### **OBAGI BLUE RADIANCE PEEL**

This peel helps resurface the skins texture and tone by using a 20% Salicylic Acid, whilst targeting pigmentation and open pores.

Skin may peel between 3-5 days after treatment before tighter, smoother, and rejuvenated skin is revealed.

### **DERMAPEN**

Ranging from a medical grade needling to a light needling with growth factors this facial is good for scarring, anti-aging, cell renewal and pigmentation.

5 days down time

## **THALGO FACIALS**

### **SILICIUM MARIN SUPER LIFT FACIAL**

An expert anti-ageing massage lifts the features and a super-lifting mask visibly contours the face and neck, and fills deeper wrinkles after just one treatment. Your skin is left firmer, younger-looking and glowing.

#### **BRIGHTENING LUMIÈRE MARINE TREATMENT**

A high performance anti-pigmentation and rejuvenating facial to correct pigmentation marks and dark spots. This effective treatment provides a tailor-made correction of all skin tone and dark spot concerns, for a clearer, brighter complexion.

#### **IBEAUTY PURITY REVIVER**

An express facial with dual sound vibration and sequential ultrasound technologies to remove impurities and restore perfect balance to the complexion.

The skin is healthier and brighter from the very first session.

#### **IBEAUTY HYDRATION CORRECTOR**

Ultrasound technology allows the highly effective I HYDRATE to be absorbed deep into the skin, and leave it feeling fresh, bright and hydrated from the very first session.

#### **EXPERT RÉNOVATION RADICALE FACIAL**

Thalgo's microdermabrasion machine smoothes the skin for an instantly even, clear and radiant complexion, while light therapy offers anti-bacterial, antiseptic, soothing and anti-ageing results.

#### **RÉNOVATION RADICALE TREATMENT**

A cosmeceutical facial to refine pores and skin texture, and treat skin irregularities such as pigmentation, acne scarring and blemishes.

#### **SKIN TIGHTENING**

##### **EXILIS ELITE**

Exilis Elite is a non-invasive face and body-contouring device designed to tighten skin and decrease signs of fine lines and wrinkles. It uses Radio frequency and ultrasound to stimulate elastin fibres to produce more collagen and burn any excess fat. This treatment is suitable for both face and body.

#### **BODY TREATMENTS**

##### **UNISON**

This Body treatment is specifically designed to help women/men who suffer from cellulite.

The treatment works in conjunction with the body's natural reparative process to kick starting the fibroblast activity to rebuild collagen and elastin fibres without surgery, without pain and without down time. Using radio frequency and shock wave therapy combined it targets the 5 main causes of cellulite. Four treatments are recommended for optimum results.

##### **VELASHAPE**

This Body treatment combine radio frequency, infrared and vacuum lymphatic drainage to contour the body.

The treatment works to stimulate circulation in the body to help relieve water retention and cellulite. Six treatments are recommended for optimum results.

##### **COOLSCULPTING**

This medically proven non-invasive treatment successfully removes body fat.

This treatment freezes fat cells to trigger their removal.

Results can be seen from 12 weeks.

Multiple areas can be treated at one time.

##### **FULL BODY PEEL**

A 15% Glycolic Acid based full body peel excluding the face, helps hydrate firm and rejuvenate the skin.

#### **THALGO BODY**

##### **FRIGI-THALGO BODY WRAP**

Thalgo's famous cool marine bandage wrap improves blood flow and regulates fluid balance, significantly boosts circulation to eliminate excess fluid from the hips and thighs, and improves the appearance of cellulite.

#### BODY SCULPT WITH BODY PALP

Using Thalgo's Body Palp device, this high performance treatment breaks down stubborn cellulite, tones the skin and visibly results.

#### BODY SCULPT (WITH PERFECT SCULPT MASSAGE)

This high performance, innovative treatment tackles cellulite and stubborn unwanted curves to improve the appearance of cellulite, refine, resculpt and correct lack of firmness.

### LASER

#### ELOS

Elōs™ technology combines laser and radio frequency in such a way that provides exceptionally effective treatments in the safest possible way with the greatest level of comfort and without downtime.
