## COOL LASER

It's the non-invasive treatment the Kardashians swear by, and now it has landed in the UK. From fine-lines and pigmentation to age spots and acne, Cool Laser Treatment will effectively treat a number of skin concerns whether it be fine lines or scars. It can even tighten skin around the jawline or plump lips without the use of fillers. To top it off, the treatment has a much quicker cooling off time in comparison to other skin lasers that leave you red, peeling and hiding indoors for days.
